

## **JOB DESCRIPTION**

**Job Title: Practitioner**

**Reports to: Registered Service Manager**

### **Job Purpose:**

To work as part of a multidisciplinary team offering a comprehensive service to young people and their families / carers. To ensure the physical, emotional, social, intellectual, spiritual and developmental needs of young people are met. To support young people within a therapeutic environment to recognise their past, enjoy the present and prepare for the future.

### **Overview**

The postholder will report to the Registered Service Manager / Assistant Service Manager. The work of the service is allocated to all staff by the Registered Service Manager. The care plan which sets the direction and parameters for the work is developed by the care team and manager and involves young people, their families and significant others. This includes social work, health and education services as appropriate. Based on this, the postholder is expected to deal with day-to-day care needs of children and young people and to update managers in the service accordingly, referring more serious issues to managers and / or local authorities or other agencies where appropriate.

If acting as case worker, long-term planning for the young person will be reviewed, re-evaluated and documented as directed by the needs of the care plan. The postholder may be required to work across the range of services at short notice to provide staff cover and a service to children and young people as required.

The postholder works in an environment that can be as challenging as well as rewarding, where due to the complex and complicated needs of children and young people affected by trauma and loss can result in having to be engaged in episodes of physical intervention to manage potentially harmful and threatening behaviour. They must be able to work with children and young people whose levels of stage development and functioning does not match their chronological age.

Whilst there is a clear framework of policies and procedures, the postholder is expected to be able to use their judgement in managing risk and keeping young people safe. The postholder, on a day-to-day basis, must exercise judgement about how individual young people function and live their lives. The postholder is required to adapt plans and interventions accordingly. When "lone working", they will have access to local supports or telephone guidance as required.

The postholder will prepare and provide reports for, and attend, child plan development meetings, case reviews, children's panels, case conferences and other relevant meetings where required.
